Building A Maternal Product

- Total outcross pedigree that combines three legendary Angus sires who were famous for their ability to make fantastic females with impeccable udders, great femininity and exceptional dispositions
- His famous great grandam Amy B121 comes from the same cow family that you will find in the impressive female maker Fusion's pedigree
- Proven calving ease with exceptional maternal traits with a CE of +11.8
- He is attractively patterned, dark cherry red, big soft bodied and as sound as a cat
- If you're in the business to make stylish attractive cows, look no further, the maternal ability of this sire runs multiple generations deep
