A Work of Art

- Rembrandt R48 is a work of art from any angle, secured for \$240,000 at the 2021 Millah Murrah on property sale
- A prototype for the modern Angus animal, displaying vast dimension, softness of skin, length and a top line filled with natural red meat from front to back and down through the hams
- Structurally he has a balanced and supple gait, combined with leg and foot structure to die for, and perfect design of the reproductive anatomy
- Throw in a beautiful disposition, with a true sire's head and outlook and Rembrandt really does strike as a genetic work of art for the ages
- Awesome first calf reports across Australia, with calves born easy and displaying superb thickness from day dot!
- As a rising 5 year old bull, Rembrandt has retained immaculate foot and leg structure while in collection and following natural service
