- Sold for \$22,000 at the 2025 Woonallee Autumn sale to Valley Creek Simmentals
- Honor truly exemplifies the modern Australian black Simmental – excellent data and phenotype to burn, and structurally flawless!
- An elite calving ease option, Honor is top 10% or better on a whopping 8 traits
- Dive deeper into his data and appreciate the top 10% CED & top 3% BW combination, and now consider his top 2% Milk and top 3% MCE combination
- To top it all off, check out the top 4% marbling and top 1% API figures
- Honors dam, Gibbs 7077E Louise Y534 is arguably the most balanced and most maternally focussed of any Y534 progeny, and is also the youngest cow that Gibbs have ever flushed.
- Physically, U540 is big footed, with a sound square hip and moves like a cat. He boasts excellent depth of heel and his skin type will suit the Northern Australian market perfectly
