Breed Changing Quality, King of Marbling

- Raising the bar on Prime Quality Grade as the highest marbling animal in the US Red Angus database
- Prime Plus is such an outlier that he will move breed average into the top 1% of the breed for marbling in one generation
- Displays the look and physique of a true beef bull - big bodied and bold sprung, combing base width and abundant muscle expression
- Ranks in the top 2% for both of the Leachman \$Profit and \$Ranch indexes, maker of awesome daughters and profitable feeder cattle
- Prime Plus really impressed us on the 2025 US tour. He is a tremendously powerful individual, clean sheathed with excellent testicles and delightful disposition
