Phenotype & Structure +++

- Santiago is the \$200,000 high seller from Millah Murrah's 2023 bull sale
- Pedigree filled with the best of 21st century Australasian Angus bloodlines, combining Emperor, Theo, Klooney & Reality. Three previous sons from the dam have averaged \$38,000
- Low 6 frame score, with outstanding foot & leg structure and perfect reproductive conformation
- Superb phenotype. Perhaps the easiest fleshing Angus bull of the modern era. Santiago is deeper bodied with more fill through the flank than any of his contemporaries. He is a gold standard cow maker in the making
- With solid mid graph predictions right down the page, Santiago makes an ideal genetic complement for Paratrooper, Nugget & Quixote lines, as well as the vast majority of bloodlines from the broader global Angus gene pool
- Santiago's progeny across Australia are shooting the lights out- absolutely jam packed with meat and Angus breed character
- Check out the support photos alongside- the Santiago's are peas in a pod! Oozing softness and muscle, he is truly the ultimate phenotype bull
- Santiago himself remains structurally immaculate at 4 years of age
