## Stellar Performance and Design

- THE go-to USA bull to add extreme mass, power, thickness and faultless structure to your breeding program
- Boasting structural data and visual appraisal, Stellar is unquestionably one of the safest structural bulls available to the Australian cattle sector
- Combine Stellar's structural EBVs with big calving ease, low birth weight, super growth data and big EMA & Fats combination, and he becomes unsurpassed in the Angus breed
- Super thick topped and deep bodied, Stellar only improved his powerhouse phenotype while breeding cows as a yearling
- Stellar sons are flying in the sale rings already in Australia and are in demand for their extreme mass and impeccable structure
- Sexcel® sexed female product available
