He Wields The Hammer

- Top priced \$45,000 powerhouse yearling sire from the 2023 Gilmandyke Spring Sale purchased in conjunction with Ascot Cattle Co.
- A Sterling Pacific son who exemplifies everything we love about the Angus breed in Australia
- Offering a wonderful depth of pedigree well known to the Angus industry; descending from the prolific Emillesque line at Gilmandyke and featuring the likes of highly esteemed Matauri Reality 839, TeMania Ulong U41, Dunoon Gabba G548 and B/R New Design 036!
- Carcass, style, immaculate structure and power to maintain and drive performance within herds
- Now consider the EBV profile for T265; including calving ease, low birth, solid growth and a brilliant +35 docility!
- Carcass wise, the bull is equally impressive with a +7.6 EMA and +4.4 IMF combination, and throw in a top 12% angle set EBV and you have a very complete young sire!
- Now 3 years of age, Thor has grown into a thumping bull with added frame and dimension to his sire. His feet remain immaculate and his doing ability is one of the best we've seen
