Shoot To The Top

- Trigger is the \$180,000 2nd high seller from the 2023 Millah Murrah bull sale, and their highest selling yearling bull ever
- The full sister to Trigger's dam produced the previous record priced Millah Murrah yearling bull, when Rolls Royce fetched \$110,000 in 2021
- Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di
- A frame 6.3 youngster, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy
- Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb
- Trigger is an excellent heifer mating prospect, with widespread application for many modern-day Angus bloodlines. He is a logical progression for Paratrooper and his descendants as well as the Quixote & Nugget bloodlines
- The Trigger's are just sensational to see emerging across the country. He has reset the bar for phenotypic excellence
