## Shoot To The Top

- Trigger is the \$180,000 2nd high seller from the 2023 Millah Murrah bull sale, and our top unit and revenue selling sire for 2025
- At last year's MM spring bull sale, the first Trigger T308 sons to be offered in Australia sold to \$200,000 and averaged an astonishing \$87,600!
- Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di
- A mature frame 6.1, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy
- Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb
- Trigger is an excellent heifer mating prospect, with widespread application for many modern-day Angus bloodlines. He is a logical progression for Paratrooper and his descendants as well as the Quixote & Nugget bloodlines
- High Autumn demand, place orders early.
