## A Valiant Effort

- When it comes to the golden triangle of pedigree, phenotype and performance, Valiant 316 leaves the rest for dead
- A descendant of the famous Millah Murrah N30, V316 is to date the most powerful and phenotypically immaculate son of Landfall Signature to emerge across the eastern-seaboard – what a combo!
- Valiant, a powerful framed youngster, exhibits a long clean front, smooth shoulder and beautiful top-line that flows seamlessly into his deep soft flanks and meat-packed hindquarter
- Feet on this young sire are A+, as well as his strong structural EBV profile
- Now consider his overall EBV set, with great calving ease, low BW of 3.1 all the way out to +140 600D!
- A top 30% scrotal, whopping +41 docility, +13 EMA and +3.8 IMF figures are just the icing on the cake for this young powerhouse – a must-use sire for 2026 and beyond
