Thickness, Power & Muscle

- Adding weight to your weaners will be a walk in the park using one of the THICKEST sires to emerge from Millah Murrah in recent years
- Von Stonker by name, an absolute stonker by nature! Packed with red meat and oozing softness, you have to admire his added mass and muscle
- Son of the famous, number #1 Angus registration sire Woodhill Comstock, V431 builds on all of his sires' famous qualities with added frame and scale
- His dam, MM P244, is arguably the most powerful framed Kruse Time K400 daughter to emerge at Millah Murrah, and herself descends from the great Klooney K42
- A sound calving ease option with low birth and adequate growth, coupled with +21 milk, +11.4 EMA and +3.2 IMF figures makes Von Stonker a great all-rounder!
