A Keg in a Barrel

- THE single most exciting son of Basin Jameson to emerge across the globe- and from where it all began!
- Welcome to Basin Black Barrel, the US \$120,000 two-thirds interest sale topper from the 2026 Basin Angus Sale in Montana purchased by ABS
- Black Barrel's dam, GDAR Blackcap Lady 2258, is without question one of the most influential females in the US Angus population at present- she's a peach from any angle.
- Blending of extraordinary females like Blackcap Lady 2258 with cow families like Lucy, Joy, O Lass has translated to the tremendous power in Black Barrel
- Appreciate Black Barrel for his phenotype, breed leading growth and performance, phenomenal maternal power all illustrated in his \$Maternal and \$Combined being +123 and +421 respectfully
