Miss TJM Abrams 59X7

The Mustang

- The recent ABS Acquisition from the autumn 2026 Geneplus Brangus sale via Lake Magestic Farms
- A son of the highly regarded LM DARKHORSE 59k7 bull that was selected for structure and phenotype
- Strong headed and beautifully skinned youngster displaying great Brangus characteristics
- Backed by the strong genetic lines of EMPOWER, DARKHORSE, TRAIL BOSS and a double cross of the 59-cow family he should establish himself as a strong Maternal candidate
- Ranking in the top 4% for Weaning Weight and 15% for yearling weight he expresses strong growth characteristics finished off by carcase data in the top 30% of the breed
- On inspection during the recent 2026 US tour, Dark Horse established himself as a strong boned, deep sided bull who expressed a lovely length of spine with outstanding width across his back. Added into that is a skin type to die for with stylish folds and smoothness which is so important in the Brangus breed
