Millah Murrah Rector R53

Millah Murrah Ulsterman

Millah Murrah Flower N30

Millah Murrah Ricky R45

Millah Murrah Kerry U68

Millah Murrah Kerry R110

Olympic Spirit

- Wyatt W50 sold for an Australian record \$420,000 at the recent Millah Murrah Spring sale, the highest price ever achieved for a beef animal sold in Australia
- Named after Wyatt Thompson, founder of Millah Murrah, W50 exhibits a strong sire's head, superb structural design, with impeccable disposition
- Described by Ross Thompson at the point of sale as the most complete bull to ever be put through the ring at Millah Murrah, Wyatt W50 absolutely epitomises the golden triangle of phenotype, pedigree and performance
- Dam Kerry U68, daughter of esteemed Ricky R45, is described as a lovely young cow, with immaculate leg angles, foot structure and perfect udder conformation
- Visually, Wyatt inspires awe, especially when on the move. Expressing a C+/B-muscle pattern combined with an abundance of softness and beautiful skin types, phenotypically he is hard to fault
- Now consider Wyatt's pedigree, featuring the who's who of influential sires to grace the Australian market. Klooney K42, Hallmark H147, Nectar N334 and of course maternal influence of Flower N30
- The final feather to W50's cap is his versatile and beautifully balanced data profile; ultra-low GL, sound growth, top 5% MBC, an elite carcass data combination and flawless structural EBVs
