Welcome to the newly designed St. Jacobs Directory. In this directory, you will find our great bulls with pictures and some information. We have taken the proof information out and provided you a QR code for each bull. Scanning this code with your smartphone will take you directly to the bull's page, where you can get up-to-date proof information. Using a QR code that takes you to the bull proofs that change every April, August, and December, this directory will stay relevant and valuable to you for an extended time. We hope you enjoy this change in the way we present you with our St. Jacob's lineup!

TYPE WITHOUT COMPROMISE
