WELCOME

to the Genus ABS BEEF INFOCUS™ DIRECTORY

Genus ABS Beef InFocus™, powered by NuEra Genetics™, delivers proven and reliable beef genetics for the dairy producer to maximise calf crop value while driving beef supply chain efficiency.

What sets Genus ABS Beef InFocus™ apart from other beef on dairy programmes?

Not every beef on dairy calf has the same genetic value. Each Genus ABS Beef InFocus™ sire delivers:

- Tailored beef genetics for dairy farms
- Proven and reliable performance on dairy cows
- Highly marketable calves
- Real world data driven results

SPECIALIST SYMBOLS

Sire is not eligible for pedigree use, commercial use only.

Sire is proven on over 120 calving's in over 60 dairy herds.

Sire is eligible for pedigree use with progeny being able to be registered subject to a royalty fee.

Sire is classed as a Superior Sire with Meadow Quality Ltd with premium available.

Sire has proven to consistently produce blue roan coloured calves, British Blue specific.

Beef InFocus™ bulls that carry the NuEra prefix or symbols are a direct result of our NuEra Genetics™ breeding programme, and have been created specifically to carry traits suitable for use within the dairy herd and the beef supply chain.

Understanding NuEra Numbered Sires:

NuEra = Genetics created by Genus ABS

T14 = Pure Bred Angus

Number = unique sire identification number, for example: 19801315(US)45

Commercial use only: Sire can only be used on dairy population

To register a calf with BCMS, the sire eartag must be used. For example NuEra T14 0135 ear tag number is: 19801315(US)45

GAMECHANGER

An industry-leading integrated beef supply chain from Sainsbury's and ABP.

DELIVERING BRITISH DAIRY AND BEEF PRODUCERS GREATER SECURITY AND STABILITY.

DAIRY FARMERS

- Stable calf income
- Fixed forward calf price
- Industry-leading, proven beef on dairy sires
- Regular farm collections
- No commission fees

REARERS

- Stand alone enterprise
- Guaranteed regular income
- No capital outlay
- Dedicated support team

FINISHERS

- High health status animals
- No capital outlay
- Locked in lifetime price
- Industry-leading genetics
- FREE farm management software
